

CMK R11LAM

Safety Slip Rating:

CMK R11Lam is suitable for indoor and outdoor use; providing floor graphics with a moderate slip resistance, rated to DIN 51130 and BGR 181 with an R11 anti-slip rating. To find out more about slip ratings, visit: <http://www.hse.gov.uk/pubns/geis2.pdf>

Material Description:

CMK R11Lam is a textured matt clear PVC laminating film, specifically developed to protect floor graphics from wear and tear while also providing a slip- resistance for up to 12 months indoor use or up to 6 months outdoor use (subject to footfall).

Application Data:

To ensure good bond strength this product should be applied to dry, clean, grease free surfaces.

The durability of a floor graphic depends on the preparation, application, footfall, cleaning, usage conditions and also type of flooring. Heavy vehicles or heavy-duty equipment can damage the graphic, *Customark cannot be held responsible for any damage caused in this way.*
